Vehicle Loss Privilege Program

NEGATIVE EQUITY

CONSIDER THIS...

If you experience a **total loss**...

(any instance where your vehicle has been declared a permanent loss by your insurer resulting from such things as collision, fire or theft)

and you have **negative equity**...

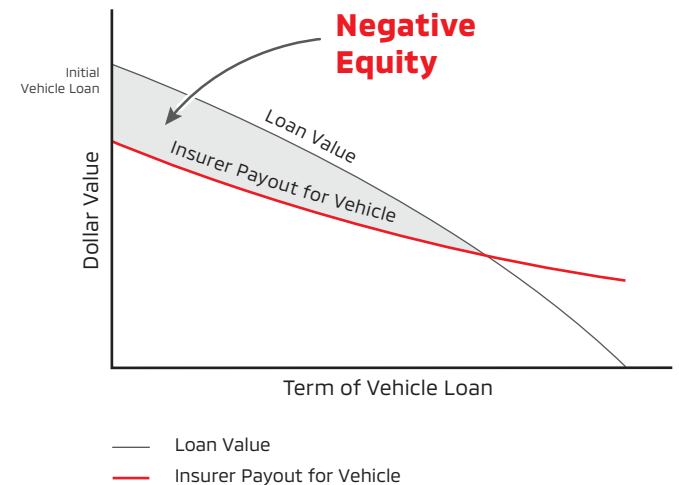

(when you owe more on your vehicle loan than what the vehicle is worth)

your insurer may only pay the **fair market value** of your vehicle.

How will you get a replacement vehicle?

WE'RE HERE TO HELP.

With Negative Equity Privilege, you are eligible for an in-store loyalty credit towards a replacement vehicle. If eligible, the credit may cover the difference between the insurer payout for your vehicle and your vehicle loan balance.

WE'VE MADE IT EASY TO UNDERSTAND.

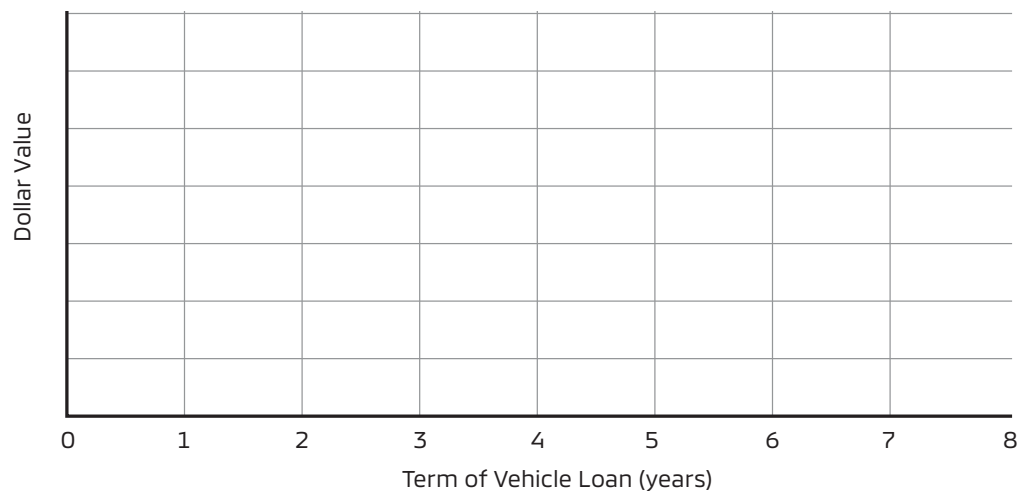

Your in-store loyalty credit is for the difference between the outstanding balance of the loan and the insurer payout.²

For Example.²

Outstanding Vehicle Loan Balance	\$23,000
Insurer Payout for Vehicle	\$16,000
In-store Loyalty Credit	\$7,000

The graph and diagram in this brochure are for illustrative purposes only. Your vehicle purchase price will determine the maximum negative equity privilege you may be eligible to receive. Ask your dealership representative for details.
