

Adventure Awaits

2027 **RVR**

RELIABLE CAPABILITY AND A GO-ANYWHERE ATTITUDE

Discover the perfect balance of practicality and performance with the Mitsubishi RVR – a smart, versatile choice for those who want everyday utility with the confidence to explore beyond the city.

A go-anywhere attitude is powerfully expressed in the RVR's Dynamic Shield styling and LED lighting designs at the front and rear. Along the side, it boasts the sporty look of available 18" Alloy Wheels to complement the rugged capability of available All-Wheel Control (AWC) – the rally-bred Mitsubishi Motors drivetrain technology that delivers assured footing on all surfaces, in all types of weather.

Under the hood, RVR offers you a choice of well-rounded 2.0 L or 2.4 L 4 cylinder engines, each with a Continuously Variable Transmission (CVT) for responsive power and effortless cruising.

Let your adventure begin in the 2027 Mitsubishi RVR.

ON DEMAND TRACTION AND CONTROL WITH AWC

RVR is available with Mitsubishi Motors' legendary All-Wheel Control (AWC) which gives you the ability to choose how engaged the system is. There are three settings available at the touch of a button, optimizing your focus between fuel economy and all-wheel drive capability. **2WD** keeps the vehicle in Front-Wheel Drive regardless of driving conditions, for economical driving on normal dry roads and highways. **4WD AUTO** offers well-balanced on-demand All-wheel Drive performance, resulting in enhanced fuel efficiency, traction, high-speed stability and predictable handling based on road and driving conditions. **4WD LOCK** is an always-on, full time All-Wheel Control system that ensures all four wheels receive an even split of the engine's power for greater control and traction, helping to enhance vehicle performance on slippery surfaces such as snow-covered roads or sand.

FUEL ECONOMY

RVR ES FWD	CITY	HIGHWAY	COMBINED
2.0 L DOHC MIVEC 4 Cylinder Engine	9.7 L/100KM	7.8 L/100KM	8.8 L/100KM
RVR ES AWC			
2.0 L DOHC MIVEC 4 Cylinder Engine	10.1 L/100KM	8.2 L/100KM	9.2 L/100KM
RVR SE AWC / SEL AWC / NOIR AWC / GT AWC			
2.4 L DOHC MIVEC 4 Cylinder Engine	10.3 L/100KM	8.3 L/100KM	9.4 L/100KM

LOVE THE COMFORT & ROOMINESS

The RVR offers all the high-value, intuitive comfort and convenience features you need for your daily commute and spontaneous adventures.

Enjoy the genuine warmth of standard Heated Front Seats, and the increased visibility of the 8" Smartphone Link Display Audio System featuring Android Auto™ and Apple CarPlay². Or step up to the premium RVR GT AWC with its Leather-Appointed Seats, Panoramic Sunroof, Auto-Dimming Rearview Mirror with HomeLink® and Remote Starter.

The RVR's spaciousness isn't limited to passengers: the cargo area is just as impressive when it comes to accommodating your luggage and gear, thanks to a wide, easy-opening liftgate and convenient, split-folding rear seats.

| HEATED STEERING WHEEL

BECAUSE SAFETY IS EVERYTHING

Nothing matters more than safety – to you and Mitsubishi Motors.

That’s why we developed the RVR using Reinforced Impact Safety Evolution (RISE) engineering, utilizing high tensile strength steel and crumple zones that absorb and disperse energy during high-impact collisions. Strategic reinforcements at key body points complement its side-impact door beams, giving your RVR a stable, secure base that’s worth its weight in safety.

You’ll also appreciate the RVR’s advanced airbag systems, as well as driver assistance technologies that help keep you safe.

WARRANTY PROTECTION

AT MITSUBISHI MOTORS, WE’RE SO CONFIDENT IN THE QUALITY, RELIABILITY AND DURABILITY OF THE VEHICLES WE BUILD, THAT WE BACK THEM WITH SOME OF THE MOST COMPREHENSIVE WARRANTIES AVAILABLE. PLUS, WITH THE MITSUBISHI RVR’S EASY AND COST-EFFECTIVE MAINTENANCE, YOU CAN ENJOY WORRY-FREE OWNERSHIP EVERY STEP OF THE WAY.

MORE PEACE OF MIND

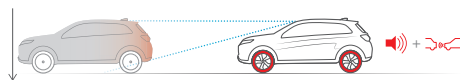

- THESE SAFETY FEATURES ARE STANDARD ON ALL RVR TRIM LEVELS:
- ANTI-LOCK BRAKING SYSTEM (ABS)
 - ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)
 - ACTIVE STABILITY CONTROL (ASC)
 - BRAKE ASSIST SYSTEM (BAS)
 - TRACTION CONTROL LOGIC (TCL)
 - TIRE PRESSURE MONITORING SYSTEM (TPMS)
 - HILL START ASSIST
 - REAR SEAT OCCUPANT ALERT

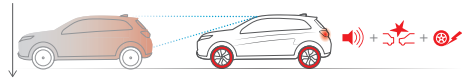

7 Standard Airbags

Help protect you and your passengers in a variety of collision situations. Protection includes Dual Front Airbags, Front Seat-Mounted Side-Impact Airbags, Side-Impact Curtain Airbags (front and rear) and a Driver's Knee Airbag.

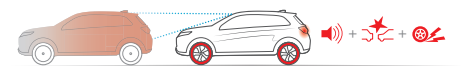

Danger of collision: warning + braking assistance

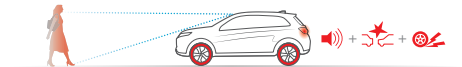

High danger of collision: warning + auto-braking

Extremely high danger of collision: warning + strong auto-braking

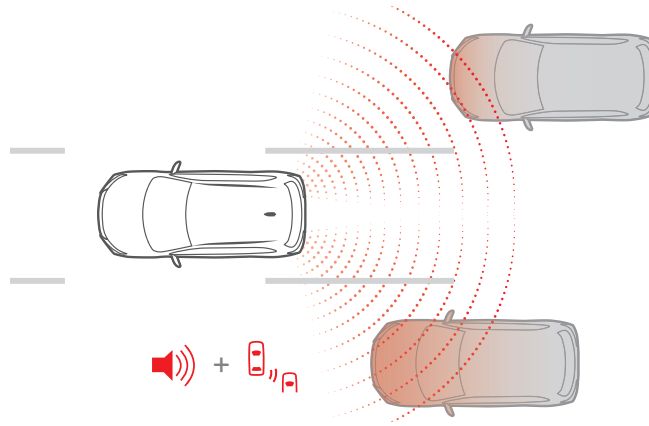

Responds to vehicles and pedestrians.

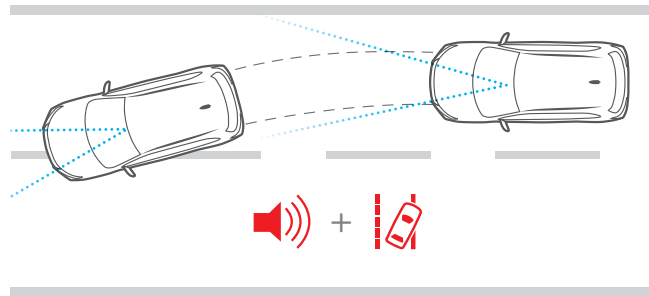

Forward Collision Mitigation (FCM)¹

Utilizes both laser radar and camera technology to determine if a frontal collision is imminent. If so, it warns you with audible and visual signals, and automatically applies moderate to emergency braking to reduce the severity of the collision and, if possible, prevent the collision altogether.

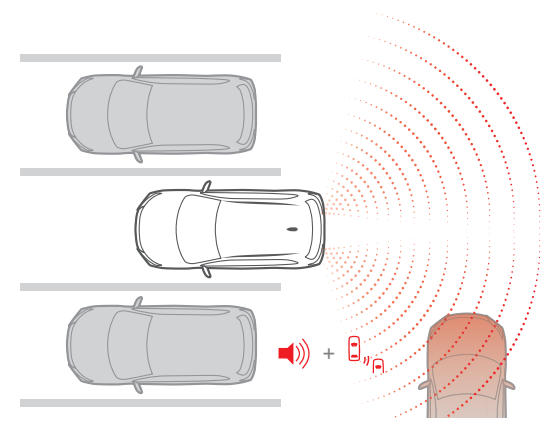

Blind Spot Warning (BSW)¹

Alerts you when a vehicle is in or approaching your blind spot. When a vehicle in the next lane is travelling at the same speed or faster in the detection areas, a warning light illuminates on the corresponding side mirror. If you switch the turn signal on, the warning light on the corresponding mirror will blink and the system will beep to alert you that it is unsafe to change lanes.

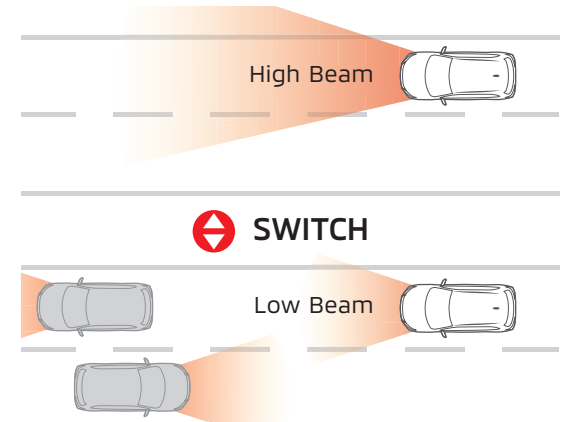

Lane Departure Warning (LDW)¹

Uses an onboard camera to monitor lane position in front of the vehicle, providing audible and visual alerts if it detects your vehicle leaving the lane unintentionally.

Rear Cross Traffic Alert (RCTA)¹

Detects a vehicle approaching from the side while you're backing up. It alerts you with flashing warning lights on both side mirrors, a buzzer that sounds in the cabin and a warning message that appears in the instrument cluster.

Auto LED High Beams (AHB)¹

Detects light levels of oncoming vehicles and automatically switches the RVR's headlights between low and high beams – a welcome safety feature when driving on dimly-lit roads.

¹ Advanced safety systems are driver aids only and are not a substitute for safe and careful driving. Under certain conditions, the systems have detection, capacity and other operational limits. Drivers are fully responsible for their own safe driving. Please drive safely and do not rely solely on these systems. See Owner's Manual or mitsubishi-motors.ca/en/legal/advanced-safety for full details, conditions and limitations.

ES FWD / STANDARD SPECIFICATIONS:

- 2.0 L DOHC MIVEC 4-CYLINDER ENGINE
- CONTINUOUSLY VARIABLE TRANSMISSION (CVT)
- HEATED FRONT SEATS
- 8" SMARTPHONE LINK DISPLAY AUDIO FEATURING ANDROID AUTO™ AND APPLE CARPLAY
- HEATED POWER SIDE-VIEW MIRRORS
- AUTO LED HEADLIGHTS AND LED DAYTIME RUNNING LIGHTS
- RAIN-SENSING WINDSHIELD WIPERS
- AUTOMATIC CLIMATE CONTROL
- REMOTE KEYLESS ENTRY
- POWER WINDOWS
