

MITSUBISHI MUT-III SCAN TOOL – AFTERMARKET RENTAL AGREEMENT

This aftermarket rental agreement is entered into by and between Mitsubishi Motors Sales of Canada, Inc. (MMSCAN) and the undersigned (“Customer”). The Mitsubishi MUT-III is rented solely for the purpose of initializing new PCMs (Powertrain Control Modules), reprogramming (reflashing) PCMs in Mitsubishi vehicles sold by MMSCAN, and retrieving Diagnostic Trouble Codes.

The chart below shows the tools contained in the MUT-III Scan Tool Kit, MIT-46973-RENT-A. These tools are rented for a two week period (14 days), and are subject to:

- A. A \$150.00 rental fee for the two week period.
- B. Applicable taxes to be added to rental cost, and or damaged/missing accessories.
- C. A shipping charge of \$100.00 for overnight, insured delivery and return.
- D. A refundable \$5,000.00 security deposit for the MUT-III Scan Tool Kit, MIT-46973-RENT-A

The contract must be signed by the Customer, who must acknowledge and agree they have read and understand the set forth by this agreement.

Rental MUT-III Scan Tool Components: MIT-46973-RENT-A			
Description	Part number	Replacement value (March 2010)

***Above prices are subject to change without notice.**

Contract Terms:

- a. Components 1 through 12 listed above will remain the property of MMSCAN while rented to the customer.
- b. Failure to return components listed above to MMSCAN within 3 days of the end of the two-week rental period will result in immediate forfeiture of the security deposit.
- c. All hardware and software components listed above are in working order as shipped. Upon return, the MUT-III Kit will be inspected for missing or damaged components. If there are no missing components or damage, your security deposit will be refunded. Any missing components or damage due to misuse or abuse will result in the customer being charged the current replacement value for any or all of the damaged or missing components, as determined by MMSCAN.
- d. Only the MUT-III software provided by MMSCAN may be operated on the MUT – III laptop; no other software may be installed. Unauthorized software installation or modification may result in security deposit forfeiture, at MMSCAN’s sole discretion.
- e. All risk of loss shall be the responsibility of the customer from the date of shipping until the equipment is returned.

Authorized Customer approval: The undersigned hereby represents and warrants that they acknowledge and are bound by the terms and conditions set forth above.
